1. Page 16, lines 4, is amended to read as follows:

"(5) Taxicab Commission. - \$4,000,000 from other funds;"

Rationale for amendment:

The amendment makes a technical change to the District of Columbia Taxicab Commission's budget, as additional revenue was certified. This certification came after the budget was circulated to members and staff, and the funds, which come from the passenger surcharge, will be used to fund the operations of the Commission.
